Transportation Committee Minutes

Tuesday, September 11, 2012

1. Call to Order

A duly noticed special meeting of the Transportation Committee (TC) of the Greater Wilshire Neighborhood Council (GWNC) was held on Tuesday, September 11, 2012, at Wilshire United Methodist Church, 4350 Wilshire Blvd, Los Angeles, CA 90005. The meeting was called to order at 6:30pm.

2. Minutes Approved

The minutes of the previous meeting were approved.

4. Guest Speaker

Claire Bowin of City Planning attempted to address community concerns about the nature of the Activity Kit Mobility Element materials that were sent to various HOAs and the GWNC. Maps were incomplete and questions were confusing. Ms Bowin said Planning had a disappointing response - "the worst in history" and that they were looking at ways to alert people to the Update to the Mobility Element. Attendees alerted Ms Bowin to the fact that many communities are unaware that an update is underway.

Ms Bowin agreed to keep the community updated about any plans that would impact our Greater Wilshire Neighborhood Council area.

5. Public Comment:

Greg Wittman stated he would like to find creative solutions and look at transportation options. He is in favor of bike infrastructure and said Ms Bowin's office was understaffed.

5. Adjournment: Meeting adjourned at 7:45pm. There will be no meeting in October as members will be attending the Bike Plan Implementation Team meeting and the Mayor's Housing and Transportation Summit and will report back to GWNC Board. Next meeting to be held November 7.
