

GWNC Policy on Agendizing Speakers Who Are Declared Candidates for Political Office – 5/11/10

The GWNC will permit declared or soon-to-be declared candidates for public office to address Board meetings only when all candidates for the same office are provided an equivalent opportunity to address the Board.

To ensure compliance with this policy, whenever a declared candidate contacts the GWNC requesting to speak at a board meeting, all other registered candidates for that office will be extended an invitation to appear as well, either at that same meeting or at another meeting mutually agreed on between the candidate and the GWNC.
