How It Works

- Come to this location at 8:00 pm for a brief training overview. Feel free to bring your friends to be on your team.
- While working in teams of 2-4, you'll be assigned a census tract that you'll walk or drive, looking for persons experiencing homelessness.
- You will just be tallying how many people you see – keeping a respectful distance from them.
- When your team has finished, you'll return to this deployment site to turn in your results.
