Agenda de reunión ordinaria*

Pursuant to the October 6, 2023 enactment of California Senate Bill 411 (Portantino) and LA City Council approval on November 1, 2023, the Greater Wilshire Neighborhood Council meeting will be conducted virtually.

The Neighborhood Council system enables civic participation for all Angelenos and serves as a voice for improving government responsiveness to local communities and their needs. We are an elected advisory body to the City of Los Angeles, made up of volunteer stakeholders who are devoted to the mission of improving our communities and bringing government closer to us.

I. WELCOMING REMARKS

A. **Call to Order** (Polly Estabrook)

B. **Roll Call** (MJ Anderson)

II. GENERAL PUBLIC COMMENT ON NON-AGENDA ITEMS

IV. OLD BUSINESS (Discussion and Possible Action)

A. Submission of CIS on Council File 22-1402: (Community and Municipal Greenhouse Gas Emissions Inventory / Carbon Reduction Goals / Climate Impact Team / Capital and Technology Improvement and Expenditure Program (CTIEP))

- i. The Greater Wilshire Neighborhood Council urges the Los Angeles City Council to adopt a policy that proactively limits the use of all non-essential pesticides, including but not limited to glyphosate (Roundup), on all City-owned and managed properties, parks, and facilities. Furthermore, we request that the City explore safer, organic, and nature-based alternatives for landscape management and integrate these policies into the City's broader environmental goals currently being addressed in Council File 22-1402.

B. Submission of letters to CD5 and CD 13 City Councilmembers requesting meeting regarding the use of pesticides.

BACKGROUND: Several GWNC residents have contacted GWNC regarding new reports linking pesticides to Parkinson's and other diseases. GWNC ESC held a meeting and invited a subject matter expert, Dr. Beate Ritz, to speak. We would like to discuss the letter, modify it if needed, and submit the letters to the GWNC Board for their approval at the Board meeting on Wed 10/12.

- i. **Possible Motion:** The GWNC ESC approves the attached letter requesting an opportunity to meet with the CMs and/or their staff members to discuss the topic of pesticide use on City-controlled properties and to review the research the ESC has collected for discussion at the GWNC Board and transmission to the CD 5 and CD 13 City Councilmembers.

Possible CIS: The GWNC ESC opposes the creation of a gondola to access Dodger Stadium as currently planned and urges Metro to oppose as well. (Sentence can be amplified on in meeting and rationale given.)
